Advertisement for Research Associate (RA) in Chemistry

University of Mumbai-Department of Atomic Energy Centre for Excellence in Basic Sciences (UM-DAE CEBS) has been established on the Kalina campus of the University of Mumbai to impart high quality education in the Basic Sciences after the 10+2 (or equivalent) level of schooling, in a vibrant academic ambiance by a faculty of distinguished teachers and scientists.

CEBS invites applications from eligible candidates for a Research Associate (RA) Position in Chemistry under an externally funded programme.

The Research Associate in Chemistry will work on the project titled/subject: “**Herbalomics and Diseases**”.

Essential Qualifications: A PhD in any branch of Biology or Chemistry with Molecular Biology/Biochemistry/Biotechnology specialization and at least two publications in peer-reviewed research journals.

Experience: The candidate should have a good knowledge of modern biology and research experience in biochemical and recombinant DNA techniques. Detailed knowledge and proficiency in recombinant DNA technology is desirable.

Tenure: The position is offered on an annually renewable basis, and is tenable up to two years.

Emoluments: will be Commensurate with experience as per Rules.

Applications along with CV, one-page summary of their PhD work may be sent at the address given below, or by email (registrar@cbs.ac.in), so as to reach on or before **January 20, 2020**. Selection will be based on personal interview.

Address: Registrar, Nalanda, UM-DAE Centre for Excellence in Basic Sciences, University of Mumbai, Kalina Campus, Vidyanagari, Santacruz (East), Mumbai 400098.
