

Advertisement for RA in Chemistry

Applications are invited from eligible candidates for a Research Associate (RA) Position in Chemistry to work on a project titled: "Chemistry and biology of natural products and selenium antioxidants".

Essential Qualifications: Ph.D. in Chemistry, specialized in organic chemistry or inorganic chemistry or physical chemistry with at least two publications in peer reviewed research journals. **Preference will be given to fresh Ph.D. candidates.**

Experience: The candidate should have a good knowledge of synthetic chemistry, photochemistry and biophysical chemistry. Knowledge of chalcogen chemistry and biology is desirable.

Tenure: The position is offered for a period of six to eight months tentatively starting from May 2022

Emoluments: Commensurate with post-Ph.D. research experience of the candidate, in the range of Rs. 47000 - Rs. 54000 (+ HRA as per DAE rules) per month.

Last Date of Application: 10th April, 2022 (Applications received after the due date will not be considered).

Selection procedure: Selection will be based on personal interview.

Applications in the prescribed format (available at <https://www.cbs.ac.in/announcements/recruitment>) along with attested copies of certificates / testimonials and a one-page summary of the Ph.D. work may be sent to Registrar, UM-DAE CEBS.
